*Gas struts enable adjustment of height by up to 42" on 60" diag  
 (Slightly less on bigger sizes)*

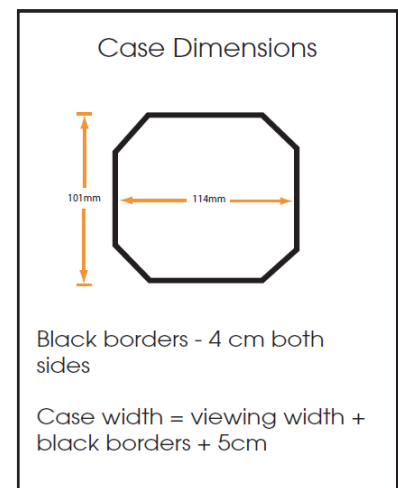

## ScreenLabs Easy Riser

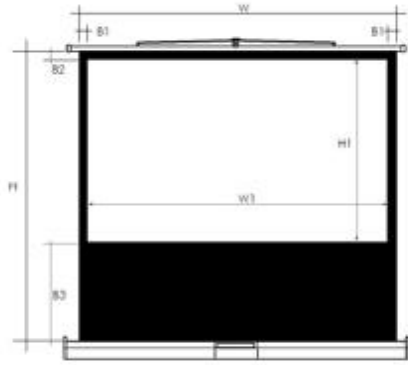

**Ultra portable pull up manual projection screen.**

Exclusive to AVM. Designed by ScreenLabs.

High quality fiberglass matt white surface with 4cm black borders. Uses a gas strut mechanism which allows the screen to be set at any height. The screen is housed in its own metal case, with lid and rotating legs, and can be set up very easily in seconds. Excellent value for money when compared to similar style screens.

- Available in Video (4:3) format.
- Matt white viewing surface.
- Gas strut allow screen to be set t any height.
- 1.5" side borders. 2" at top.
- 42" maximum black leader below viewing surface.
- Compact lightweight design.
- Usable in seconds. Just open case and pull up screen.
- Self contained unit. Handled carry case.

Part Number	Format	Viewing Size cm	Overall size cm	T	Black Border(CM)		
					B	L	R
